Sub: Updating HRMS designation from "Station Superintendent" to "Station Manager" and declaring the old designation/seal as invalid in compliance with RBE No. 32/2026.

Ref: Railway Board Letter No. PC-III/CRC/Misc/2023/2/8 dated 22.04.2026 (RBE No. 32/2026).

Sir,

NFREU would like to draw your attention to the Railway Board's letter referred to above, whereby the "Station Superintendent" post has been redesignated as "Station Manager" with immediate effect.

However, it has come to our notice that even after the passage of a considerable time since the above Board's letter, our zonal railway is yet to initiate measures for making necessary corrections in HRMS portal in regard to redesignation of 'Station Superintendent' as 'Station Manager'.

For effective and uniform implementation of the said order, the following actions are therefore requested:

#### Updating designation in HRMS:

The designation in HRMS (Human Resource Management System) may be updated from "Station Superintendent/Station Master" to "Station Manager" at the earliest, so that service records, pay slips, posting orders, and all digital records reflect the revised designation.

## Deactivation of old designation seal:

All official seals bearing the designation "Station Superintendent" may be declared invalid with immediate effect, and their usage may be discontinued. Clear instructions in this regard may also be issued to all concerned stations, as continued use of the old seal may lead to inconsistencies in official correspondence, signed documents, and statutory records, which is administratively and legally undesirable.

## Provision of new seal:

New official seals bearing the designation "Station Manager" may be arranged and supplied to all concerned stations at the earliest to avoid any disruption in official work.

The above actions will ensure proper and timely compliance with the Railway Board's order and maintain uniformity in official records and correspondence.

Thanking you.

Yours faithfully,
