Dear Sir,

Sub: Release of Funds for Clearance of Pending OTA Bills of TSK Division Staff.
Ref: Discussions held by the undersigned at your chamber on 28-08-2026.

The employees of TSK Division have been awaiting payment of their **Overtime Allowance (OTA) bills for several months** due to non-availability of sufficient funds. The prolonged pendency of these legitimate dues has caused considerable inconvenience and financial hardship to the affected employees, particularly as the OTA relates to duties already performed by them beyond their normal working hours. The continued withholding of such earned dues has placed an avoidable financial burden on the employees and their families. The matter is, therefore, causing growing concern amongst the staff of TSK Division.

In this connection, the undersigned discussed the matter with you at your chamber on **28-08-2026** and sincerely appreciates your assurance that necessary funds would be released to TSK Division for clearance of the pending OTA bills.

In view of the above, it is earnestly requested that necessary action may kindly be taken **at the earliest for release of the required funds, amounting to approximately ₹60 crore**, so that the long-pending OTA bills of the employees of TSK Division may be cleared without any further delay.

Early intervention in the matter will provide much-needed relief to the affected employees of TSK Division and alleviate the financial hardship being faced by them.

Thanking you.
